ASP CITTÀ DI BOLOGNA

Art and services for the Seniors and for the city

ASP CITTÀ DI BOLOGNA
Azienda pubblica di servizi alla persona

ASP Città di Bologna is the Public company for social welfare and personal care of the Municipality of Bologna. It was born in 2014 from the merging of 3 public companies, who were originated by the unification of ancient Charities and Relief institutions, active in Bologna since the Sixteenth century.

ASP is now one of the biggest public company for Welfare in Italy, with more than 600 workers, 80% of them employed in the Services, and a budget of some 90 millions of euros.

SOCIAL and CARE SERVICES

- Family Centre and Children's Services
- International Protection Services for refugees and asylum seekers
- Housing Services
- Services for adult marginalisation and homelessness prevention
- Services for Elderly people and their caregivers

LA QUADRERIA

A selection of paintings by Italian Masters

A magnificent heritage of paintings, furnishings and two churches is the result of 500 years of history of the institutions that formed ASP.

La Quadreria is a new museum open with free entrance, located in the historical site of Palazzo Rossi Poggi Marsili, that returns to the city a selection of paintings of Bolognese masters from the Sixteenth to the Eighteenth centuries and some interesting wooden sculptures.

The ninth room in La Quadreria is The room of the Maps, a set of five wall maps of the XVII century.

EUROPEAN AND NATIONAL PROJECTS

Project and Innovation Office

The office is part of the DG and is committed in scouting funds, developing networking, preparation, presentation and management of projects funded by European and National calls.

Through participatory design, we identify solutions of social innovation to give added value to the development of the welfare system in the area of Bologna.

PROGETTI EUROPEI E NAZIONALI

ASP FOR THE ELDERS AND THEIR CAREGIVERS

ASP supports elderly in every situation of fragility or lack of self-sufficiency, supporting their caregivers as well, promoting different kind of services:

1. Residential Services

They host people with health and/or social needs of various intensity.

Safe Apartments

Addressed to self-sufficient Seniors, they offer a chance of autonomous life in a supervised and safe place.

Total: 85 apartments, single and double, for maximum 142 people.

Residential Care Home

A non-hospital residential service that welcomes self-sufficient elderly people.

Total: 63 places

Retirement Home

A residential care structure addressed to partially self-sufficient elderly people. It offers a range of care, up to a high level of health and social protection.
Total: 375 places

Comunità alloggio - Housing Community

Residential social care housing for 12 elderly people in condition of self-sufficiency or slight lack of self-sufficiency, with the ability to carry out independently the main activities of daily life, in an environment of community life and mutual solidarity.
It provides private spaces and common living spaces.

ASP by now provides **592** places in Residential services for Seniors.

2. In-Home Care services

Professional support services that allow a person to live safely in their home. In-home care services can help someone who is aging and needs assistance to live independently, managing chronic health issues or special needs. It is an individualized project shared with the people, the families, National Health service and the informal network.

It provides also short term and post-hospital nursing cares, home meals, laundry, social alarm devices and teleassistance. It supports the hiring of Family assistants.

Centro diurno – Day Center

Seniors day care is a planned program of activities in a professional care setting designed for older adults who require supervised care during the day, or those who are isolated and lonely. They enable seniors to socialize and enjoy planned activities in a group setting, while still receiving needed health services. At the same time, they offer family caregivers respite from caregiving duties while knowing that their loved one is in a safe place. It's aim is to keep the elderly people in their living environment as much as possible.

5 Daily Centers for not self-sufficient people and people with dementia (PwD)

Total: 111 people

Margherita Meeting Centre is an innovative service addressed to elderly people with memory or cognitive deterioration disorders and to their caregivers.

Meeting Centres are an important way of keeping active and feeling supported to manage the cognitive, emotional and social challenges of living with dementia.

Alzheimer Cafè is a safe place where people with dementia, their families and professional carers can meet in an informal way and spend a few hours in a welcoming and listening-centered atmosphere.
